ABSTRACT

This Petition is addressed to
 The Maharajah Regent.

State that - They are in
 traders & are paying
 as well as a professional
 that in addition the
 has imposed a tax of Rs 1 per
 maund, on tobacco & 2 annas
 per tin of Carvaine oil, as
 last year; that the tax on
 tobacco was abolished in
 the year 1881-83 on the
 consideration that Harhar is
 a minor municipality.

in order to make

up the loss sustained by the
abolition of Loom tax, has
imposed this tobacco tax of
Rs 1 per mownd; that the
price of tobacco rises from
Rs 2 to Rs 8 which they bring
at a great cost from Bettadapara,
Tinsur Saluk & to pay a tax
of Rs 1 on all sorts of tobaccos
like is really a great hardship;
that the tax on tobacco in Her
Majesty's Dominions is annas
4 per Cart-load; that not only
the new tobacco (which is brought
Europe) is taxed but also the old
stock remaining with them
have been taxed & an amount
of Rs 130-000 has been already
collected.

Pray that, these being hard
times, the tax on tobacco
may be abolished or as
in H. M. territories a tax of
4 annas per Cart-load may
be imposed & that till the
above order is passed the
By Committee may be asked to
recover ^{at the rate of} 1 anna per mownd & to
refund the collection of tax on the old stock

ABSTRACT

Pray for the abolition of the
newly imposed octrai duties
in the Harihar Municipality,
jagery, sugar, coconut (green
& dry), beetle leaf & timber,
for the following reasons:-
1. That such duties are co-
-lected in no other taluk ex-
-cept in the Chitaldrug he-
quarters:
2. That in the year 1884-
such taxes were abolished
on the ground that Har

from Davangere, Rani benur
& other places at a great cost
even which, is very difficult
in these plague times with
all its Govt restrictions.

4. That they bring timber
from inland parts, 50 or 60
miles distant, after very great
trouble, which are rotting
at present for want of
purchasers.

5. That these taxes were
imposed because the
loom-tax was greatly di-
minished.

That as their petition about the
abolition of the tax on tobacco
& Carosine oil is still pend-
-ing,

Pray that orders may be issued
not to collect the above taxes
till the question is finally
disposed of by Govt.

no grounds for doing so."

The petitions submit that
~~that~~ a cess duty has been
levied on tobacco and
kerosine oil, ~~in this~~
I though Harihar is not
a head quarter of a Taluk,
and pray for cancellation
of the duty on the following grounds.

(1). In the year 1888, the levy
of octroi duty on the above
two items as well as on other
things was prohibited for
the town of Harihar, as
the town ~~had~~ only a minor-
~~town~~ municipality.

(2). Harihar town is not
the head quarter of a Taluk
and such duty is levied
only in any other place in
the Chitaldrug except
in the town of Chitaldrug.

(3) The petition would be put
to great loss and inconve-
nience if the duty is levied.

Petitioners submit that
in reply to
an order dated 13.5.99 to
the Shikharani agent, they
were given an order that
their petition was forwarded
to the Secretary Govt. Re-
spective for disposal.

Petitioners pray for stop-
page of the duty for
disposal of their appeal.

ABSTRACT

Appeal against the order
of the M. C. Chital
of No. 148 dated 20.7.99 de-
clining to cancel the
levy of Achur duty on the
town of Marichar on Sugars,
Jaggery, Sugar Coconuts (and
and dry), Betel and timber.
The order is as follows:-

Read your petition dated 13th
July 99, praying for the cancel-
ment of the Achur duty levied
on Sugars, Jaggery and other
articles in the town of Marichar.
The said duty has been
affirmed in accordance with the
Resolution of the Board
after the sanction of the
has been obtained thereof
your prayer cannot be met.

The abolition of the ¹⁰octroi
now levied on the following
grounds:-

(1) The said duty is not levied
in any parts of the Chitaldung
except the Chitaldung Town. Be-
sides Haridwar is not even a
head quarters.

2) In the year 1884-85 when the
said duty was levied it has
been decided that the said duty
should be abolished (Haridwar
being only a minor munici-
pality).

3) Haridwar town is now
in the same state as it was
in the year 1884-85. The trade
in the town is insignificant
and the merchants are too

soo ^{making of}
4) ~~Trade in the town of Haridwar~~
~~is not up.~~

Trade is not as flourishing
in Haridwar as it is in Davaugre,
besides even for the articles
of sale, the Haridwar should have
to be brought from Davaugre
and Danibennor with extra
expense of cart hire &c.

(5) Timber has to be imported
into the town from a distance
of 60 miles after being purchased
from the forest depot and at a
great cost. In spite of this
great loss ~~can~~ ready sale
~~cannot~~ cannot be had for them
owing to the existence of
several timber depots in the
Davaugre and other places
the sale in timber has
fallen down to a considerable
extent in Haridwar.

The tin itself ^{without}
being sold (there being no
demand) has become
damaged ~~growing~~, a
serious loss to the merchant
(petro). ~~At this~~ The loss
of Achiriduf on tin has
at the time only aggravated
their ruin. Moduf is
based on timber in Savane
and Chitaldug.

(6) Betel is sold here at the
rate of 3 pies per hundred
leaves, which are to be brought
from a long distance. If two
pies per hundred leaves
are to be given as duty,
the merchant can never
~~realise~~ realise the cost
incurred in bringing the
leaves. Besides if the
leaves are not first
a sale, they rot and both
part and the merchant become
losers.

(7) No trade is now flourishing
in starch or Cocoanut. It cannot
be even fully sold. The
merchant could not even
realise their best price ~~and~~
and incur loss owing to the
deficient want of demand.

(8) Trade has been very
much affected owing to the
prevalence of plague and the
consequent fear of
persons to remain in whom
they are.

(9) Having to go from
Savane to Harhar,
and owing to the difficulties
which the people are put

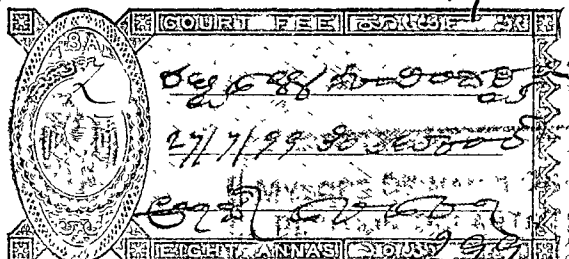

of Davaungre ^{over}
Such tax The new introduction
will be a means of
rendering the town of Harihara
deserted and insignificant.

(10) The duty of on one cart
load of dry Coconuts consisting
of 50 manas to be brought
to Harihara from Davaungre
comes to Rs 25/- (at 80 p per ma)
The cartage only comes to one
Rupee. Thus no carts can
possibly go to Harihara as
the merchant would gain
Rs 24 if the same are sent
to Davaungre where
there is no duty. Hence this
duty tends to impoverish
the merchant of Harihara.

(11) Govt were pleased to
reduce the town tax in the town
of Harihara to the great benefit
of the inhabitants. The muni-
cipality instead of adjusting
their expenses so as to meet
the loss occasioned thereby,
has found this new means
of ~~enriching~~ making ^{good} the
loss ~~good~~ but a great
annoyance and ruin of
the people.

(12) The inhabitants are already
subjected to a higher house & Secretary to Govt & and Rev. Dept
tax owing to ^{recent} two revisions for 20's p. sal.
of house tax. Besides such
circumstances if an addi-
tional burden is imposed upon
them they can hardly bear them.

^{Petty also submit - that there were many}
^{grants of by the Government they had been}
